

Jubilee Campsite Challenge

This challenge has been devised to encourage all visitors to our County campsite to explore and try new things. Leaders should use these ideas to help with their programme planning but feel free to adapt as you see fit. Upon completion all participants are able to purchase from the Jubilee site the special challenge badge.

Girlguiding Northamptonshire thanks you for visiting our County campsite and hopes you have an enjoyable time. We value your comments and would appreciate your feedback in our comments book at the site.

Rainbow Challenge

Complete one task from all 4 sections

LOOK

Look at the clouds and see what shapes you can make out of them.
Collect one natural item for each letter of the alphabet.

LOVE

Give everyone a hug and say something positive about them.
Water the new trees as on the map.

LEARN

Make a friendship bracelet and give it to a friend, ensure the whole group has one.
Identify one bird who visits the campsite.
Jubilee animal trail
