

County Training Pins- Record of Hours

How to earn your brooches!

Every time Volunteers give up valuable time to keep up to date with their Guiding Roles they can work towards a Training Pin.

This includes both e-learnings and face to face trainings - so attending a safe space, first response or our county training day will give you hours towards your first pin.

The basics are:

8 hours for bronze
a further 8 hours for silver
a further 8 hours for gold
so 24 hours in total
e-learnings all count as 20 minutes
face to face training counts as the length of the
session pins are free and paid for by county.

Please forward to the County office, Unit 1 Brookfield, Duncan Close, Moulton Park, Northampton NN3 7XB and your card and badge will be posted back to you free of charge

Start counting from March 2020

Badge gained:	
Bronze achieved	
Silver achieved	
Gold Achieved
